

Australian College of Educators

Dr Angela Turner, Southern Cross University

Since joining SCU in 2004 Angela has been a Unit Assessor across multiple units in the Bachelor of Technology/Bachelor of Education (Secondary) degree and Course Coordinator of the Secondary Education Course (Acting in 2015 and 2016). In these roles Angela has demonstrated excellence in both teaching and leadership. Throughout the past four years she has achieved a mean score of 4.15/5 (student unit satisfaction and teaching satisfaction combined) across 8 units per year. Angela's innovative approach to teaching has resulted in regular Teaching Commendations, with proven success due to the strengthening effect of linking and integrating the domains of teaching, research and service in applied design and innovation, food sustainability culture and applied food science and nutrition. Angela is a worthy recipient of recognition on World Teachers' Day.
