## Jennifer Bryant, Toormina High School

Jennifer Bryant is a passionate and dedicated educational leader, setting high expectations for students and focusing on achieving the best outcomes for students. Jennifer leads the Science Department as Head Teacher at Toormina High School, establishing it as one of the key faculties within the school. Jennifer leads innovative programs through STEM (Science, Technology, Engineering and Mathematics) and Project Based Learning, promoting 21<sup>st</sup> Century best practice while preparing students for future success. Jennifer has been keen to support her staff in leadership roles within the school and has demonstrated a high commitment to the community of Toormina. Jennifer is a worthy recipient of recognition on World Teachers' Day.
