

Australian College *of* Educators

Lynette Franklin, Orara High School

Lynette has been involved with Orara High School since the 1980s. Not only a talented and patient teacher librarian but Lindy was a committed Year Advisor for many years. She also offers constant, calm support to all Orara High School staff and performs many jobs behind the scenes, for example, Lindy organised students to represent Orara High School at the Running Festival in Coffs Harbour, flowers for school assemblies as well as pre-loved uniforms for students. She is someone who always goes above and beyond her role and she has a positive influence on everyone. Lynette is a worthy recipient of recognition on World Teachers' Day.
