Mark Guihot, Sandy Beach Public School

Mark has held the position of classroom teacher at Sandy Beach Public School for over 26 years. During his career he has been exemplary in teaching the younger students, always focusing on core literacy and numeracy learning. Mark demonstrates a commitment to providing successful transition to school programs and is highly involved in our school drama festivals and musicals. In addition, Mark dedicates his time outside of his classroom to running a gardening club, which has resulted in an award winning vegetable garden. Most importantly Mark ensures the students in his class enjoy coming to school and have fun! Mark is a worthy recipient of recognition on World Teachers' Day.
