## Melissa Hogan, Dorrigo High School

Melissa is an outstanding Visual Arts teacher who inspires her students to create pieces of work they enjoy doing and designing work that they are proud of showing. She teaches them skills, provides exciting opportunities and all students have been taught to have high expectations for the work that they create in visual arts and photography at Dorrigo High School. Students love learning and this is the result of her passion for the subject. As well, Melissa has been committed to making a difference to student lives and as Year Advisor she has helped, supported and encouraged students over many years. Melissa is a worthy recipient of recognition on World Teachers' Day.
