

# Australian College *of* Educators

## Sally Jayne Johnson, Toormina High School

Sally is a dedicated and passionate educator who sets high expectations for students, supporting and encouraging them to achieve to the best of their ability. In addition, she gives hours of her own time to guide debating and public speaking students. Her enthusiasm and expertise has led students to realise their potential and passion for debating and public speaking. Toormina High School is becoming widely recognised for their excellence in public speaking and debating due to Sally's commitment to student success. Sally is a worthy recipient of recognition on World Teachers' Day.
