## **Tasmyn Lessells, Nana Glen Public School**

Tasmyn is an exemplary teacher and Assistant Principal at Nana Glen Public School. She always works above and beyond to ensure she provides best practice for the many diverse and individual needs of her students and ensuring students are provided with many opportunities to thrive and build on their talents in a challenging yet supportive environment. She is innovative and creative, students and staff look up to her as a leader in our school. She mentors and works side-by-side with colleagues to build individual and team capacity. She has a wide range of skills from being our computer co-ordinator to our drama co-ordinator. This year she also planned, organised and presented a whole school musical performance that highlighted the outstanding creativity of our students for the Nana Glen 125 year celebrations. Tasmyn is worthy of a World Teachers' Day Award as she is a dynamic leader who motivates, supports and inspires others and always looks for the best in students and colleagues. Nana Glen Public School thanks her for her amazing work. Tasmyn is a worthy recipient of recognition on World Teachers' Day.
