

Australian College *of* Educators

Wendy Cromack, TAFE NSW, Maclean Campus

Wendy is an Information Technology and Education, Employment and Support teacher at TAFE who works tirelessly to create an engaging learning environment and is committed to her students. She is considerate and demonstrates a holistic approach for each student. Wendy takes into account each student's unique learning style and implements individual programs to successfully meet performance criteria and student needs. Wendy has a positive impact on the ever changing lives of students and colleagues. Wendy is a worthy recipient of recognition on World Teachers' Day.
